### **2014 Annual General Meeting of Ascom Holding AG**

The Annual General Meeting of Shareholders of Ascom Holding AG, which was held on 1 April 2014 in Berne, Switzerland, was attended by 155 shareholders representing 17'482'208 votes or 48.6% of the share capital.

The General Meeting approved inter alia with a large majority the following proposals of the Board of Directors:

- Re-election of the four existing members of the Board, Juhani Anttila, Dr. J.T. Bergqvist, Cornelia Gehrig, and Andreas Umbach and election of the two new Board members Dr. Harald Deutsch and Christina Stercken
- Re-election of Juhani Anttila as Chairman of the Board
- Election of Dr. J.T. Bergqvist and Andreas Umbach as members of the Compensation Committee
- Pay-out of a dividend of CHF 0.40 per share
- Relocation of the legal domicile of Ascom Holding AG from Berne to Baar (ZG)
- Approval of the Remuneration Report 2013 (consultative vote)
- Approval of the total amounts for future compensation for the Board of Directors for the period of one year
- Approval of the total amounts for future compensation for the Executive Board (consisting of a fixed and a variable part as well as of a long-term incentive) for the business year 2015

On the other hand, the Board of Directors decided to postpone the revision of the Articles of Association to the Annual General Meeting 2015. Within the last two days before the Annual General Meeting, the Board of Directors received indications that the revision of the Articles is facing opposition mainly of foreign shareholders. As the Articles of Association are the essential basis for the definition and the exercise of

shareholders rights, the Board of Directors did not want to raise a controversial discussion. The Board of Directors will make a re-evaluation taking into account the input from investor relations discussions and the best practice in the implementation of the Ordinance against Excessive Compensations (OaEC) emerging in the next months. Target is to present a new proposal at the Annual General Meeting 2015 which will find a clear majority.
