

Ascom secures substantial healthcare contract in the US

A prominent American healthcare provider based in the Midwest has selected Ascom to integrate the Ascom Healthcare Platform. The contract value amounts to CHF 1.2 million.

Ascom is already a proven and trusted provider for this Integrated Delivery Network (IDN). The Ascom Healthcare Platform includes Ascom Myco 3 smartphones, the Ascom Unite integration platform, nurse call integration, and customized project management, workflow design and clinical training.

Ascom will roll out its solutions to every facility and campus of this IDN, where it will provide integration and clinical mobility capabilities that deliver smoother, more efficient workflows and timelier, targeted clinical communications.

Kelly Feist, Managing Director of Ascom USA & Canada, says: "We are very pleased to further strengthen this important long-term customer relationship by moving forward with their next phase of implementation. For all of our healthcare clients, Ascom works to contribute to more affordable and sustainable healthcare for patients and frontline staff."

About Ascom

Ascom is a global solutions provider focused on healthcare ICT and mobile workflow solutions. The vision of Ascom is to close digital information gaps allowing for the best possible decisions – anytime and anywhere. Ascom's mission is to provide mission-critical, real-time solutions for highly mobile, ad hoc, and time-sensitive environments. Ascom uses its unique product and solutions portfolio and software architecture capabilities to devise integration and mobilization solutions that provide truly smooth, complete, and efficient workflows for healthcare as well as for industry and retail sectors.

Ascom is headquartered in Baar (Switzerland), has operating businesses in 18 countries and employs around 1,300 people worldwide. Ascom registered shares (ASCN) are listed on the SIX Swiss Exchange in Zurich.
