*Ascom wins an important contract of a major distribution partner in Germany specialized in mobility and workflow solutions for the Enterprise sector. The contract volume amounts to approx. CHF 5.5 million.*

The contract was finalized with a long-term distribution partner and encompasses a broad portfolio of Ascom mobility solutions for professional use. The Ascom mobility portfolio is characterized by high flexibility and scalability and enables an efficient and easy provisioning of cloud-based communications solutions.

Ascom mobility solutions increase efficiency of mobile workflows and make an essential contribution for reliable communication and workplace safety. For Enterprise, Ascom provides communication and workflow solutions for the industry sector, security establishments, hotel business and retail.

Valerio Signorelli, Managing Director of Ascom DACH, says: «Winning such an important contract in times of a health crisis confirms the strong demand for reliable mobile communication and workflow solutions, not only in healthcare but in the Enterprise sector as well and underlines the expertise Ascom is awarded by customers and business partners.»
